Dear,

The founder and President of Somebody Cares International Dr. J. Doug Stringer, returns to Jamaica for the official launch of "Somebody Cares Caribbean".

The launch takes place on Thursday, November 13th, 2008 in the Auditorium of Faith Cathedral Deliverance Center (104 Waltham Park Road, Kgn. 10) beginning 6:00 p.m.

We invite you to join us as together we embrace the future through the Spirit of Compassion, "Remembering that a true witness Rescues Lives" (Prov 14:25).

The Mission of Somebody Cares is to be the hands and feet of Jesus, a tangible expression of God's love.

Best Regards
